

APPLICATION AND REGISTRATION FORM TO THE IRTG

Personal data (persönliche Angaben)

Family name (Name) _____

First name (Vorname) _____

Sex (Geschlecht) female (weiblich) male (männlich)

Citizenship (Staatsbürgerschaft) _____

Date of birth (Geburtsdatum) _____

Contact data (Kontaktdaten)

Affiliation/workgroup/room: _____

Email address _____

Office phone number _____

Academic studies and university degree (Studium und Hochschulabschluss)

Field of study _____

Past degrees _____

Funding (Finanzierung)

I would like to join the iRTG Polymers and

() I am financed directly through the SFB/TRR 102, project / workgroup _____.

() I am financed through other sources, but I would like to join the iRTG Polymers as associate member pursuing the full program to obtain the iRTG Polymers certificate;
please indicate on the backside in a few lines your research project and why you would benefit from the iRTG.

Gender equality (Gleichstellung)

The SFB/TRR 102 and its iRTG are dedicated to support women in science and enable family-friendly working conditions (e.g. child care on campus). If you are interested:

() I do have children and I would like to be informed about individual support available at MLU/UL.

() I am female and interested to be informed about special woman-in-science seminars & courses.

If you are NOT funded through the SFB/TRR 102 directly, please indicate briefly

- (a) What is your current research project focusing on, what are the connections to polymers & soft matter?
- (b) Why would you benefit from the iRTG program?

To be filled out by the supervisor:

Please indicate which position the doctoral student is presently holding and how you identified him as suited for this position.

- (a) Dissertation project or preliminary thesis title: _____

- (b) Submission date planned: _____
- (c) Origin and duration of funding: _____
- (d) How did you decide for your student? Based upon (check more than one option if applicable)
 - interview supplied CV recommendation
 - talk in group seminar or at a conference
 - previous contacts during BSc/MSc studies (e.g. thesis work)
 - other: _____
