OPEN TO EVERYONE

An exclusive preview of the ELSA WTO Moot Court Team for 2015-16! MLU's team is thrilled to invite you to a showcasing of mooting skills acquired over nearly six months of preparation. They will field challenging, unscripted questions from Professors as they state and argue this year's ELSA/WTO case. The team will be in their final week of preparation before traveling to the Czech Republic to represent MLU at the European Regional Rounds. This is not only a great opportunity for students to support MLU's WTO team; it is also an opportunity for interested 2016/2017 candidates to see what can be accomplished in just six short months.

We hope to see you there!
